It began almost 30 years ago... a love affair with the wines produced from the Bordeaux region of France. Particularly, wines from the small, family owned Chateau's that dot the rolling hillsides of the beautiful 'Right Bank' countryside. It is from here, that my inspiration came.

Finally, the chance to fulfill a life-long passion and dream of producing a wine of exceptional character and style, that would capture the 'power and elegance' of the wines I tasted and enjoyed as a young man living in France.

Merlot makes up the lion share of this 2003 PALAZZO Napa Valley Red Wine, giving the wine its sheer power & strength, silky texture and beautiful layers of rich cherry & black currant fruit. The Cabernet Franc adds spice, acidity and brightness to the wine, with the Cabernet Sauvignon adding structure and deep dark fruit to the finish.

Our goal at PALAZZO is to make wines of outstanding quality, depth, balance and structure. Don't miss this first release... quantities are limited. And watch for the 2004 vintage next year ... it's a wine of exceptional promise!

À votre santé! ... Scott Palazzo
