My love affair with the wines produced from the Bordeaux region of France began almost 30 years ago... particularly wines from the small, family-owned Chateau's that dot the rolling hillsides of the beautiful 'Right Bank' region of that enchanted wine area. It is from there that my inspiration and passion for producing **PALAZZO WINE** continues to come.

I am very excited about the release of my new **PALAZZO 2005 Napa Valley Red Wine!** Continuing in the style and quality of my previous vintages, this is a *beautifully complex wine* with wonderful layers of rich fruit, soft tannins... and a lush, supple texture on the palate!

Merlot makes up the lion share of the blend, giving the wine its sheer power & strength, silky texture, and beautiful layers of dark cherry & blackberry fruit. The Cabernet Franc adds brightness, acidity, and 'floral overtones' to the wine... with Cabernet Sauvignon adding structure and character... along with hints of smoke, cocoa and espresso bean to the finish.

Our goal at **PALAZZO** is, and always will be, to produce beautiful wines of outstanding quality... with distinction and class! Wines that are both '*powerful and elegant*'... and pair well with a broad range of foods... Reminiscent of the style and quality of wines that come from the wonderful 'Right Bank' region of Bordeaux, France!

À votre santé! ... Scott Palazzo
