Hi from the Napa Valley – Well it’s finally here! For all of you who have been asking me for the past several years, when was I going to produce a white wine to compliment the beautiful ‘Right Bank’ Bordeaux-Style red wines that Palazzo Wine offers ... The moment has arrived! I’m proud to introduce my *first vintage* of PALAZZO 2010 Cuvée Blanc!

After having the privilege of enjoying five wonderfully successful vintages of my inaugural ‘Right Bank’ Bordeaux-Style PALAZZO Napa Valley Red Wine ... I am very excited, and extremely proud to be announcing the release of my PALAZZO 2010 Cuvée Blanc!

In keeping with the style and spirit of all the wines I produce, my first white wine to be released is a *‘beautiful & elegantly crafted food wine’*. My inspiration once again comes from the wonderful Bordeaux region of France ... and the great White Wines / Bordeaux Blanc’s produced there!

The PALAZZO 2010 Cuvée Blanc is a delicious blend, made predominately from the wonderfully exotic & aromatic Semillon grape, with a touch of Sauvignon Blanc blended in for *‘finesse & structure’*. The nose is *‘floral & seductive’* ... filled with intense aromas of pear blossoms, orange peel & beautiful notes of acacia honey. On the palette the wine is *‘beautifully balanced’* with a rich oily texture, along with stunning acidity! Delicious white peach, pineapple & stone fruit flavors fill your mouth ... eventually giving way to a wonderfully long, exquisite finish ... especially for a white wine! A *‘Superior Food Wine’* to be enjoyed!

Our goal at PALAZZO WINE is, and always will be, to produce beautiful wines of outstanding quality, with distinction and class! Wines that are both *‘powerful and elegant’* ... and pair well with a broad range of foods ... reminiscent of the style and quality of wines that come from the wonderful region of Bordeaux, France!

Don’t miss the *‘Inaugural Release’* of my very first white wine ... PALAZZO 2010 Cuvée Blanc! Quantities are extremely limited ... with only 224 Cases being produced! Please Enjoy!!!

À votre santé! ... Scott Palazzo
