**Hi from the Napa Valley** – As I’ve said in the past, if the vintages weren’t printed on the sides of the bottles, I wouldn’t believe an entire year has already gone by since I released my inaugural vintage of **PALAZZO 2010 Cuvée Blanc!** It’s been another wonderful year for us here at Palazzo Wine! We hope this past year has brought you & your loved ones joy, abundance & renewed vision for life!

As always, a big thank you to everyone who has continued to show excitement and support for our wines, and in the process helped make them such a tremendous success across the country & around the world!

I’m so excited to be releasing our **2<sup>nd</sup> vintage** of **PALAZZO 2011 Cuvée Blanc!** The inaugural 2010 vintage was received with such overwhelming enthusiasm by so many of the Top Sommeliers and Chefs here in America ... that we decided to make more!

For those who didn’t get a chance to try our 1<sup>st</sup> vintage of PALAZZO Cuvée Blanc (only 9 barrels produced) our new **PALAZZO 2011 Cuvée Blanc** is once again inspired by the great **Bordeaux Blancs** of France!

The **PALAZZO 2011 Cuvée Blanc** is a **‘beautiful & elegantly crafted’** food wine ... made predominately from the wonderfully exotic & aromatic Semillon grape, with just a touch of Sauvignon Blanc blended in for **‘finesse & structure’**. The nose is once more wonderfully **‘floral & seductive’** with intense aromas of pear & orange blossoms, rose petals, and hints of spearmint, beeswax & white truffle laced throughout. On the palate there is a rich, broad oily texture & weight, along with bright, zesty acidity, giving the wine a **‘beautifully balance mouth-feel’!** Delicious white peach, nectarine & apricot fruit flavors fill your mouth, with notes of Meyer lemon zest & a slight, pleasant bitterness of walnut skin adding complexity. The finish is **‘lush & weighty’** and wonderfully long—especially for a white wine! A **‘superior food wine’** to be enjoyed!

Our goal at **PALAZZO WINE** is, and always will be, to produce beautiful wines of outstanding quality with distinction and class! Wines that are both **‘powerful & elegant’**... and pair well with a broad range of foods, reminiscent of the style and quality of wines that come from the wonderful region of Bordeaux, France!

À votre santé! . . . Scott Palazzo
