PALAZZO 2006 Napa Valley Red Wine

Scott Palazzo is another one of those up-by-his-bootstraps type guys we love who simply go ahead and make wine to their own vision. Blending Merlot, Cab Franc and Cab in a right-bank, restrained style (a baby Petrus perhaps?), Scott has turned his back on the notion that Napa has to be big, big, big to be good. Very nice.

BACIO DIVINO PALAZZO 2006

A "funky, unpretentious blend" is how Claus J. Palazzo, his unique Sangiovese and Cabernet mix winemakers Nils and Kirk Venge have put together that is a pretty darn good description, it does how spirited, delicious and downright fun this wine is now to rock and roll.

B CELLARS BLEND 26 CABERNET SAUVIGNON 2005

When your intrepid friends at DEAN & DELUCA the out-of-the-ordinary, the hard-to-find, forgive B Cellars is another one of the undiscovered jewels. Second-generation winemaker Kirk Venge has grown at Georges III, To Kalon and Stagecoach Vineyards to provide the fruit and the boys at B have done the rest. Outstanding.
