Legends in the making
from California's
2005 Vintage

GREAT SECRET...

PALAZZO 2005 Napa Valley Red Wine \$75

AN IMMEDIATE
ZACHARIA
FAMILY FAVORITE

The 2005 vintage is all over the press and everyday we hear about how great it was for Bordeaux, Burgundy, the Rhone and elsewhere; but it constantly seems that California is left out. Lucky for us, many people have overlooked that **California's 2005 vintage was very strong and has produced some phenomenal wines that may just be "Legends in the Making."**

In fact, it seems that Cabernet based wines in 2005, from California have all the requisites to rival the "Monstrous" 2005 Bordeaux.
