SCOTT PALAZZO
PROPRIETOR / WINEMAKER

HI FROM LAGUNA BEACH! – We invite you to join us and participate in one of our fun and educational Palazzo Wine Tastings, offered at our Private Tasting Room, located *right in the heart* of the beautiful & creative Coastal Village of Laguna Beach, California ... just blocks from the dazzling Pacific Ocean!

The French Laundry, Michael Mina, Gary Danko, Per Se, Daniel, Gramercy Tavern, Bouchon, Eleven Madison Park, Joël Robuchon, Spago, Drago, Nobu, Capital Grill, Del Frisco's, Mastro's Steakhouse ... are just a few of the country's prestigious restaurants who have offered Palazzo Wines on their wine lists!

Proprietor / Winemaker – Scott Palazzo is a man who follows his passions ~ and in the process, invites everyone he meets to come along for the ride!

Upon his first release in 2003, Scott received immediate *praise & high scores* from the world's Top Wine Critics, applauding his ability to make wines that captured the combination of both the 'power & fruit' of the Napa Valley, as well as the 'finesse & elegance' found in the wines from the beautiful & famous 'Right Bank' Wine Region of Bordeaux France.

Palazzo Wine Tastings are dynamic & interactive in style and nature ... and are offered ~ **by appointment** ~ to Laguna Beach local residents & its visitors. With an emphasis on *enjoying & demystifying wine*, we will discuss together the wine-making process ~ grapes, sugars, oak barrels, various vineyard sites ... and why people *like the wines they like!*

Our goal is for our guests to have fun while tasting & enjoying a cross-section of sample tastes of our Award-Winning Palazzo Wines from the Napa Valley... *in a comfortable & friendly setting!*

Make your reservation online and join us for a Palazzo Wine Tasting soon!
