

2019 SANDY BEACH ROSÉ
MASTER BLEND SERIES
 100% Rosé of Cabernet Franc
 NAPA VALLEY

“Bursting with delicious fresh fruit flavors of raspberry, watermelon and early Spring strawberries!”

— Scott Palazzo | Winemaker

“Scott Palazzo has a fascinating background, traveling the world, picking fruit in Bordeaux in the late 1970s and early 1980s, becoming highly involved in the music & entertainment business producing and directing music videos that earned him a Grammy Nomination. Yet he gave it all up for the lifestyle and challenge of producing world-class wine in Napa Valley. He produces wines... all well-known among wine insiders... but probably not getting the notice among consumers that they merit!”

— Robert Parker | Wine Advocate

PALAZZO WINE

NAPA VALLEY | CALIFORNIA

Hi from the Napa Valley! — Well, needless to say the first half of this year has been unprecedented, with the advent of the Covid Virus Pandemic. We are being tested in all areas of our lives, and it has been our creativity that’s allowed us to adjust...finding new ways to ‘*virtually celebrate*’ birthdays, weddings, new births in our families...and all the special occasions that truly earmark our lives! We will see the other side of this craziness...and move forward again in our lives with vigor, compassion, and a renewed thankfulness for life itself!

I can’t think of a better way to begin ‘*moving forward*’ than by releasing a new wine for us – **PALAZZO 2019 Sandy Beach Rosé!**

When I was a young man traveling/backpacking my way through Europe in the late 70’s, my adventures led me to the alluring coastline of Provence, France! I spent an amazing ‘*life-changing*’ 3 months/summer, living on the beach in the little seaport village of La Ciotat, located in the heart of the beautiful Côte d’Azur... and the land of Provence Rosé!

Lavender fields, olive trees, Cézanne, the powerful Mistral Winds...and of course wine...specifically Provence Rosé! Everyday, starting at lunchtime and continuing into the warm summer evenings, on terraces & beaches, at picnics, and just about every restaurant table in town ... there would be a ‘bottle or two’ of the pretty pink nectar – Provence Rosé! Hence the term ‘*Rosé All Day*’ was born!!!

The PALAZZO 2019 Sandy Beach Rosé is made in the traditional-style of the amazing Rosés that I first enjoyed that summer living on the beaches in Provence! Bursting with delicious fresh fruit favors of raspberry, watermelon and early Spring strawberries! Crisp and light on the palate, with beautiful floral aromas of cassis, white roses & lavender. What’s not to like! Our new **Sandy Beach Rosé** is a fabulous wine for sipping with friends on the patio, and/or pairing with lighter foods such as... Assorted Cheeses and Charcuterie, Chicken Caesar Salad, Bruschetta, Grilled Octopus, Salmon and Halibut! In essence ... **A Great Food Wine!**

À votre santé! . . . Scott Palazzo
