## WHY WE STARTED IT — *Our Way Of Saying Thank You!*

Because our wines are limited in production, with most of our **Palazzo Reserve Wines** being offered and sold through top restaurants across the country, *availability of our Reserve Wines outside of restaurants has been very limited and difficult to find.* Now, through our Palazzo Wine Allocation Club, you our supporters and fellow wine collectors are able to purchase our **Palazzo Reserve Wines** direct from us for your home collections & cellars.

Through membership in the Palazzo Wine Allocation Club an 'exclusive allocation' from every vintage of our **Palazzo Reserve Wines** will be reserved and offered to you directly from us, the winery.

The Palazzo Wine Allocation Club is our way of saying **thank you** to those of you who have followed & supported our wines from the beginning, along with the additional new friends who have discovered our wines throughout the years!
